Notes:

- The Volux Spectras are around 1.5 years old with low hours. Fixtures are in excellent condition
- The Jolt Bar FX are in excellent condition (mainly corporate event use)
- The Blizzard SkyBox and SkyBars are in used condition. Some units have failing batteries, but work when plugged in. 4x SkyBoxes do not power on at all. Cases are in OK condition
- All of the Chauvet Mk2 Wash, Shocker 2, and Clay Paky Alpha Profile fixtures show cosmetic signs of use, but work great.
- All fixtures do not come with clamps, any brackets will be included. Power cables are available on request, but will not be included as standard.
- All prices are negotiable
- Shipping is available nationwide and internationally at buyer's expense
