Couldn't find what you are looking for in our inventory?

Contact us, and we'll get you the gear you need. Through our partners, we have access to a wide range of gear not currently in our inventory. We can give you the same great prices and service you expect from Chicago Lighting Rental, but offer a much wider variety of equipment. Our partners stock Allen & Heath, Ayrton, Avolites, Chauvet, Digico, Meyer Audio, Midas Pro Series and HD Series, Robe, Tyler Truss, and more. Just because it isn't in our inventory doesn't mean we can't get it for your next production.

Note: As our inventory is always changing, frequently check this list for updates.

Rather purchase?

Reach out to us. We are authorized dealers for most of the top lighting and audio manufacturers. Including: ADJ, Ayrton, BASSBOSS, Clay Paky, Chauvet, JBL, MA Lighting, Martin, MDG, Volux, and more. We can get gear into your hands at the best price possible. We also have used gear from our rental inventory available. Check the CLR website for the most current list of used gear.

Don't want to just rent?

Our parent company, RK Lighting, offers full-service production management, lighting design, and on-site crew services. Using Chicago Lighting Rentals' inventory and the talented team at RK Lighting, we can elevate your event to the next level without you having to worry about doing anything yourself. Contact us to see how RK Lighting can elevate your event, tour, or performance with our amazing team of Lighting Designers, Production Managers, Audio Engineers, and more.

About Us

Chicago Lighting Rental is the premier dry-hire rental service in Chicagoland. Located just off I-355 in Downers Grove, IL, we offer an ultra-convenient location for customers across Chicagoland to pick up gear.

Chicago Lighting Rental takes pride in owning a comprehensive, well-maintained fleet of lighting, rigging, and audio equipment to make sure you have the equipment to make your next event special. Coupled with great prices and great service, there is no better choice in dry-hire AV equipment than CLR. Coupled with the inventory of our partners, we have a practically endless supply of lighting, rigging, and audio equipment to make sure any size event, from weddings to arena tours, has the equipment they need to shine.
